

# VISUALIZE LEGAL

LITIGATION TECHNOLOGY + GRAPHICS

## Rates

Our rates match our experience, they are comparative with many other litigation technology and law firms' rates for less experienced Trial Technologists.

### Simplicity in billing

- \$225 per hour
- 4 hour minimum per day (on site only)
- No fees for Trial Technologist's laptops, or basic Trial Technologist's equipment.\*

### *How much will A Trial Technologist Cost?*

- Depends on the workload and the amount of preparation
- Attending court generally takes 8 hours out of the day. Most trials require before / after court preparation
- See the chart below for sample costs

	<b>Cost per day @ \$225 p/hr.</b>	<b>Number of days</b>	<b>Total for 5 days**</b>
<b>8 Hrs. per day</b>	\$1,800	5	\$9,000
<b>12 Hrs. per day</b>	\$2,700	5	\$13,500
<b>14 Hrs. per day</b>	\$3,150	5	\$15,750

\* Equipment needed varies from trial to trial, basic Trial Technologist equipment may include, VGA switch, VGA DA, Courtroom monitor and some cables (no data storage). Any additionally required equipment shall not be gratis and may need to be rented from a 3<sup>rd</sup> party vendor.

\*\*All expenses including but not limited to travel, accommodation and expenses related to the work of the Trial Technologist will be covered by the client (this may include hard drives and USB memory sticks for data storage).

We reserve the right to submit invoices and/or expenses before the end of trial. All Invoices and or Expenses are due 30 days from invoice date.
